

# AI IN EDUCATION

## Pilot Workshop Kit

Organization: Ancient to Advanced India

Tagline: Every Village AI Enabled

Date: 21 July 2026

Venue: Government Degree College, ABC Village

Expected Participants: 30 Students

Duration: 60 Minutes

---

## Workshop Agenda

### 1. Welcome & Introduction (5 Minutes)

- Introduction of speaker
- Introduction to Ancient to Advanced India
- Workshop objective

Question to students:

"How many of you have used ChatGPT, Gemini, or any AI tool before?"

---

### 2. What is AI? (10 Minutes)

Explain:

- Artificial Intelligence means machines that can learn, analyze, and assist humans.
- AI is already part of daily life.

Examples:

- Google Maps
- YouTube recommendations
- Netflix recommendations
- Voice assistants

- Translation tools

Activity:

Ask students to identify AI tools they already use.

---

### **3. AI in Education (15 Minutes)**

Demonstrate:

#### **Learning Assistant**

Example:

"Explain Newton's Laws in simple language."

#### **Language Learning**

Example:

"Teach me basic spoken English."

#### **Exam Preparation**

Example:

"Create 10 MCQs on Indian Constitution."

#### **Research Support**

Example:

"Summarize this chapter."

Important Message:

AI should assist learning, not replace learning.

---

### **4. AI Career Opportunities (10 Minutes)**

Discuss:

- AI Engineer

- Data Analyst
- Prompt Engineer
- Digital Marketer
- Entrepreneur using AI
- Content Creator

Key Message:

Students from rural areas can participate in the AI economy.

---

## 5. Responsible AI Usage (10 Minutes)

Discuss:

- Verify information
  - Protect privacy
  - Avoid sharing personal data
  - Do not blindly trust AI answers
  - Use AI ethically
- 

## 6. Q&A Session (5 Minutes)

Allow students to ask questions.

---

## 7. Feedback & Closing (5 Minutes)

Collect feedback forms.

Take group photo.

Record testimonials.

Thank participants.

---

## Attendance Sheet Format

| Sl No | Name | Course | Gender | Mobile Number | Signature |
|-------|------|--------|--------|---------------|-----------|
|-------|------|--------|--------|---------------|-----------|

# Feedback Form

Workshop Title: AI in Education

Date: 21 July 2026

Venue: Government Degree College, ABC Village

1. How would you rate today's workshop?

☐ Excellent ☐ Good ☐ Average ☐ Poor

1. Did you learn something new about AI?

☐ Yes ☐ No

1. Which topic was most useful?

---

1. Would you like more workshops on AI?

☐ Yes ☐ No

1. Suggestions for improvement

---

---

## Documentation Checklist

Before Event

☐ Venue confirmed ☐ Permission obtained ☐ Attendance sheet printed ☐ Feedback forms printed ☐  
Presentation ready

During Event

☐ Attendance collected ☐ 10+ photos captured ☐ 2+ videos recorded ☐ Group photo taken

After Event

☐ Feedback forms collected ☐ Testimonials recorded ☐ Photos uploaded ☐ Report completed ☐ Impact  
Tracker updated

---

# Student Testimonial Questions

1. What did you learn today?
2. What was most interesting?
3. Would you recommend this workshop to others?

Duration: 30–60 seconds per student

---

## Expected Outcomes

- 30 students introduced to AI
- Increased awareness of AI tools
- Improved understanding of AI in education
- First documented activity of Ancient to Advanced India
- Creation of initial beneficiary database
