

Request for Permission to Conduct AI Awareness Workshop

Date: ____

To,

The Principal

Government Degree College

ABC Village

Subject: Request for Permission to Conduct an AI Awareness Workshop for Students

Respected Sir/Madam,

I am writing on behalf of Ancient to Advanced India, an initiative dedicated to empowering rural communities through AI literacy, rural entrepreneurship, and agricultural innovation.

As part of our mission, we are conducting awareness programs to introduce students to Artificial Intelligence (AI), its applications in education, future career opportunities, and responsible usage of emerging technologies.

We would like to request permission to conduct a workshop titled:

"AI in Education"

for the students of your institution.

Workshop Details:

- Organization: Ancient to Advanced India
- Topic: AI in Education
- Duration: 60 Minutes
- Mode: Interactive Awareness Session
- Expected Participants: Approximately 30 Students
- Proposed Date: 21 July 2026 (or any date convenient to the institution)

The session will cover:

- Introduction to Artificial Intelligence
- AI Tools for Learning and Education

- Career Opportunities in the AI Era
- Responsible and Ethical Use of AI
- Interactive Demonstrations and Question & Answer Session

The workshop is intended purely for educational and awareness purposes. No fees will be charged to students or the institution.

We believe this session will help students gain awareness of emerging technologies and prepare them for future academic and career opportunities.

We would be grateful for an opportunity to conduct this program and contribute to the learning experience of your students.

Thank you for your time and consideration.

Sincerely,

[Your Name]
